## Literature request

Many years ago I started a project to collect all of the WCG's major literature. Much of this was accomplished back in 1986 and '87, and I have been filling in the gaps ever since.

Below is a list of items I still need to complete the library (I need the hard copies; I already have much of this on CDs).

Also, in the late 1980s I was in communication with someone who had all the copies of The Worldwide News on microfiche. I hope they have been placed on CD-ROM by now. Is anyone aware of this? I lost contact with that person. If anyone can assist or direct me to someone who can, that would be much appreciated.

List of literature I need to complete the library:

- The Plain Truth (I have copies before 1949): 1949 all; 1950 all; 1951 all; 1952 all; 1953 all except July; 1954 all; 1955 all; 1956 all; 1957 all; 1958 all except June; 1959 January through May, July.
- The Good News: 1951 No. 1; 1952 January through April, August, November; 1953 February, May, June; 1954 October; 1956 all; 1957 all; 1958 all; 1959 all; 1960 all; 1961 all; 1962 January through June; 1963 January, October; 1964 January through March, November; 1966 October, November.
- Youth magazine: 1981 May, August, October-November; 1982 January, April, May, June-July.
