Gentlemen:

I have reviewed your book, "Crime Can Be Stopped... Here's How", and find it most interesting and helpful.

I wish to inquire on behalf of the Santa Clara County Peace Officers Association as to how we might obtain a large number of these booklets.

We are currently involved in a fund-raising campaign and feel that the distribution of these booklets would be an asset to our organization and the prevention of crime in general. It appears that we might distribute 5,000 or more of these booklets to merchants throughout Santa Clara County.

A prompt reply would be appreciated.

Sincerely,

SANTA CLARA COUNTY PEACE
OFFICERS ASSOCIATION
