Dear Brother White,

Greetings from the city of Jerusalem!

I hope this finds you well. Your letter to us has arrived safely and we were happy to receive it.

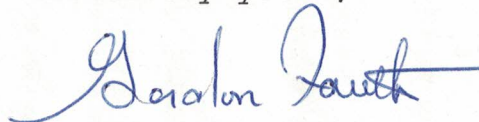

We do have available "The History of the True Religion". It is an old addition, however, and therefore not in the best condition. The price is \$8.00 (U.S.) per copy or, if ten or more are ordered, \$4.00. If air mail shipping is desired, add an extra \$3.00 per copy. We thank you for your interest, and are glad to be of help.

Enclosed please find a price list, as requested.

You might be interested in our monthly publication, "The Mount Zion Reporter", which is a 24 page Christian magazine featuring news from Israel, articles on Bible prophecy, life in Israel and articles of general Christian interest. The price of a year's subscription is \$15.00 (U.S.). I will enclose a sample copy of the "Reporter", along with a subscription slip, for your review and convenience.

I pray the Almighty will be with you and bless you always!

Sincerely yours,

Gordon Fauth  
& the Reporter staff
