SERMONS

- AN 4 R. Dean The heart (1) The healthy heart - qualities of this: rejoice in God's way, remember God's blessings + mercies, uphold purity + virginity, church / community oriented.
- 11 R. Dean The heart (2) Diagnosing diseases of The heart: discouraged heart (not believing God); hardened heart (insensitive to The miraculous); deceived heart (trusting in oneself).
- 18 Alan Dean God's Kingdom of liberation will come and liberate us from Satan's Kingdom based on money, prestige, exclusiveness + power.
- 25 R. Dean The heart (3) Treatment for a diseased heart. Trust God totally - He knows us intimately. Behind all spiritual disease is sin and only God can heal spiritually.
- EB 1 R. Dean Helpers of each others' joys. Our example should be an encouragement to others. Our trials should build compassion for others.
- 8 T Tkach (tape 31.8.91) Vision Strengthen your own vision of the Kingdom. Greatest tragedy is to live life without a purpose. Purpose gives meaning to time.
- 15 R. Dean Signs of Spiritual Growth Thank God for being God, hunger for righteousness, be forward-looking, encourage, teach, rejoice in another's joy, pray for enemies.
- 22 R. Dean When Society grows worse and worse love your neighbor, always thank God - we are debtors to God. God + The Church are our "Hiding Place".

FEB 29	R. Dean	<u>Our Youth</u> - need to be guided by high expectations; be stronger willed than they; learn from others' strengths; have vision.
MARCH 7	R. Dean	<u>The Passover (1)</u> This is a crisis we cannot ignore; a life & death issue. Christ's human life brought a crisis to other people's lives.
14	R. Dean	<u>The Passover (2)</u> This brings also anticipation of Return of Christ & God's gracious rule. Be alert to the importance of The Passover and our fellowship with the church.
21	R. Dean	<u>The Passover (3)</u> This is a time of spiritual growth. A true member is one in whom God is working. We need a "good conscience" towards God - not careless toward sin.
28	Karl Karlov	<u>Satan's Method of Attack on us</u> This is to make us become more like the society around us - 2 Tim 3:1-4. We need to counter this by being FOR Bible standards & values - not just AGAINST society.
APRIL 4	Bharat Naker	<u>Christ's Sacrifice was a gracious sacrifice</u> Sin brings suffering & death. We need God's grace & forgiveness & the Holy Spirit to resist sin. When we receive these we must use them.
11	J. Tkach	(VIDEO) <u>Racism</u> This is a cardinal sin. Violence as a means of achieving racial justice is impractical & immoral. Only way is passive resistance. God's Spirit and agape love alone will conquer racism.

SERMONS

- PR 18 K. Kahan FEAST OF UNLEAVENED BREAD
Righteousness. We should be rejoicing in complete confidence & certainty that our sins are forgiven; even tho we still struggle with sin.
- 18 Rod Dean Abuse and its Solution. Focus your mind on God, not your oppressors. God is healing those abused mentally, emotionally & physically.
- 24 W. Garratt Uncleaness
- 24 Rod Dean The Egyptian Mind is arrogance, defiance, confidence in self. God's spirit can change us. God reveals Himself through His laws.
- 25 R. Regazzoli God created us with a spiritual need which physical pursuits alone never totally satisfy. Renew & use the spirit of God every day.
- MAY 2 B. Dean (Bible Study) ^{REGIONAL WEEKEND} Turn your dreams into reality - friends, health, morality, education, counsel, etc.
- 2 R. Dean Don't ignore The lessons of past generations - work & enjoy life but remember God will hold you accountable for all you do.
- 9 R. Dean Forgiveness - giving up the right to retaliate, does not eliminate normal consequences, forgetting may take v. long times.
- 16 J. Tkach (tape) Trials - Obedience to God does not mean we will have no trials. Do not judge others who have trials. They are not necessarily the payment for sin. If we expect to share in Christ's glory we should also expect to share in His suffering.
- 23 R. Dean Reconciliation requires mutual repentance and change. Praying for others is best way to heal emotional scars and

SERMONS

MAY 30 B. Naker

Hearing is a choice we make. We can choose to ¹hear, ²understand, ³believe and ⁴obey and then live - or hear only what we want to hear.

JUNE 6. R. Dean

Reconciliation has to be sought willingly - not forced. Examples: Joseph + his brothers, Jereboam + Rehoboam, Paul and Barnabas.

PENTECOST

7 W. Garratt

Seeing and Recognising Opportunities in Life - eg reap the consequences of diligence, see God working in our lives.

7 R. Dean

The purpose of The Church. God gives us the Holy Spirit so the world can see the difference this can make in a person's life.

13 W. Garratt

Wisdom - does not come naturally, has to be sought. Fear of God is beginning of wisdom. Listen to + heed counsel.

20 R. Dean

God is watching us - be aware of this and that we are accountable for everything we know about God and His way of life.

27 R. Dean

The first commandment ①
We all need God to help us solve our problems spiritually. Emotional immaturity greatest problem in church today.

JULY 4 Orest Solyma

Denial of reality and the truth is a major problem with every person and every society. Need to accept personal responsibility and to be well balanced.

SERMONS

- JULY 11 R. Dean First Commandment ⁽²⁾ Learning to know God. Use God's law, not emotion, to seek solutions to problems. Become more sensitive to the way God works in your life. Hand your problems over to God.
- 18 R. Dean First Commandment ⁽³⁾ We need a deep respect for God so that His values become the basis of our lives. First commandment establishes capacity to keep the rest. True worship of God should involve every thought every day.
- 25 J. Thach jr. (tape) Gender Differences Meaning of terms "help meet for him", "learn in silence with all subjection". Paul was contracting the society.
- UG 1 P. Hopwood Christian Growth compared to the seasons. What is our spiritual growth like - full of energy like spring or summer or just surviving like autumn or winter.
8. R. Dean Second Commandment Worship only the Creator, not the created. Worship God directly, in spirit and in truth. We can have direct personal involvement with a super powerful being.
- 15 B. Naker Pride leads to self deception, unrepentant, mistreats & has contempt of others, causes strife. Pride leads to a fall, brings shame on a person and ultimately will destroy that person. God will exalt us when we are humble.

SERMONS

REGIONAL WEEKEND		
AUG 22	Ross Beath (Bible Study)	We come to <u>church</u> for fellowship, to build faith, forgiveness and to worship God.
22	R. Matthews	<u>Best friends</u> . Good friendships take time and effort to establish and maintain. This is also the case of friendship with God.
29	R. Dean	<u>Third Commandment</u> Your name becomes associated with your character. A test of spiritual cleanness is a person's attitude to the name of God. Praying without obeying is a subtle form of blasphemy.
SEPT 5	R. Dean	<u>Fourth Commandment</u> This commandment is critical because it establishes whether or not we really love God with all our minds. A time of refreshing, holiness, family life, gratitude & meeting together.
12	R. Dean	<u>Fifth Commandment</u> The key to being honoured is your own character. Don't repeat the mistakes of the past. Honour parents by listening to their counsel, praising, acting wisely, etc.
19	R. Hickford	<u>Slide Presentation</u> <u>Rome and Corinth in the First Century</u>

SERMONS

- EP 26 J. Kach, Jr (tape) "Born Again"
 People can be locked into pattern of thinking which prevents them understanding a certain truth. "Born again" - "born from above".
 gennao - procreate; or total change in personality + life style.
 N.T. devoid of use of analogy of "conception".
- 28 B. Naker Metamorphosis.
 TRUMPETS
 Change must take place in our minds first before our external body will be changed to spirit.
- 28 R. Regazzoli Be ready for Christ's return. The biggest mistake a person can make is not to be ready when Christ returns. Our spiritual health is shown by the fruit we produce.
- CR 3 R. Dean The horror of warfare.
 Warfare is organized insanity + brutality. It is not heroic. Most of the real horrors are censored from books, etc. We are here to be peacemakers.
- 7 Roy Page
 ATONEMENT
- 10
- 24 R. Dean God Renews
- 31 R. Dean Sixth Commandment God holds us responsible for the welfare of others. God made all men; Christ died for all men.

21	B. Naker	<u>Making choices</u> . God created choice & He needs to know what we choose. There comes a time when our choices become predictable.
28	R. Dean	<u>The Bottom Line</u> Belief in the historical Christ who was God and man. Belief based on historical record of eyewitnesses of the resurrection.
DEC 5	Randall Dick	(tape) <u>Marry within the Faith</u> Marriage is covenant between man, woman & God. Needs 3 types of love: eros, philia, agape. Those outside the church do not have agape.
12	R. Dean	<u>From Refresher</u> : Each one in the church must keep growing & this needs discipline in your Christian life.
19	R. Dean	<u>Priorities in life</u> Kingdom of God, (prayer, BS, etc.) health, family, jobs, service in the church, education & self improvement, recreation, community service.
26	R. Dean	<u>The Church is a moral factory</u> for the melting, refining, molding of the raw material, human nature, by an incessant noisy process.

SERMONS

- AN 2 R. Dean Believe what God said and don't settle for less. Such faith in God's promises gives great confidence.
- 9 R. Dean Friendship and Suffering - We don't have or need all answers to suffering. Friends should comfort & strengthen - not judge or preach to someone going through great suffering.

God's gift, gospel, purpose & nature of God, nature of & spirit in man, first fruits, Church, millennium, calling, repentance, ^{conversion,} salvation, holy days, calendar, 2 & 3 title, USA & GB in prophecy.
- 23 R. Dean Human sexuality is all-encompassing. God is author. Male & female have same status with God. Our own background & experience colours our perception of sex.
- 30 R. Dean The nature of God. Booklet: GOD IS God: reveals Himself Through The Creation. Booklet enters deeper realm of Theology.
- EB 6 C. Catherwood (tape) Christianity in the Nineties Jn 13:35
Spiritual maturity as individuals & a church comes as our agape love for one another grows & deepens. This love must be active & visible.

- 20 J.W. Tkach, Jr Truth. Five sources of truth: logic, perception, experience, scientific method, revelation. All have weaknesses. In the past we have read things into the Bible which are just not there - eg. 1972, Petra, make-up.

SERMONS

FEB	27	C. Zimmermann	(tape) <u>Self Righteousness</u> causes envy, strife, divisions. When doctrine alone binds a group together, it can also divide that group.
MARCH	6	D. Watson	<u>Offerings</u> - must be something of value to us. Greatest offering to God is evidence we are becoming more & more like God Himself.
	13	D. Blackwell	(tape) <u>Prediction Addiction</u> . As a church we have been addicted to prophecy in the past. Love, hope, faith are far more important than prophecy, knowledge or speaking in tongues.
	20	R. Dean	<u>Preparing for Passover</u> - Period of Deleavening and Self-Examination. Emphasis on what God has done for us. God alone can fill the empty void inside every person.
	27	R. Dean	We live in a world of violence - so did Christ - but we know there is love in the world. We should have overwhelming gratitude to God for His love at Passover.
APRIL	3	J. W. Tkach	(VIDEO) <u>Forgiveness</u> - try to understand other person's point of view, try to forget, & exercise love. Be merciful.
	6	Karl Karmov	<u>FEAST OF UNLEAVENED BREAD</u> Passover season is monument to <u>surrender</u> . Biblical accounts of Passovers.
