Faithful Friend

Twila Paris

Everyone knows you as a man of honor,
I am glad to know you simply as a friend
You've always taken time to be my brother,
And I'll be standing by you in the end.

But I will never put you on a pedestal,
I thank the Lord for everything you do.
I'll be there to pray for you and the ones you love,
I believe that He will finish all he started in you.

[chorus]

**I will be an open .. door that you can count on,
Anywhere you are, anywhere you,ve been.
I will be an honest .. heart you can depend on,
I will be a faithful friend.**

I am one of many who's path has been made clearer,
By the light you've carried faithfully as a warrior and a child.
God has used you greatly to encourage and inspire,
And you've remained a true friend all the while.

So I will never put you on a pedestal,
'Cause we both know all the glory is the Lord's.
And I'll be there to pray that He will keep you by His grace,
And I always will remind you to be seeking His face.

[chorus]

Should it ever come your time to mourn,
I will weep with you.
And every single time you win,
I'm celebrating too .. I will celebrate with you.

[chorus]
