From Our Pastor:
Mr. Paul Suckling

A very warm welcome to you all to this special celebration. It was 40 years ago on November 12, 1966 that the first service of the Church of God was held anywhere in New England. Manchester NH. was the starting place and so much has happened since those early days. The service will start with singing hymns and a sermonette by long-time member Walter Warren. Following announcements the sermon will be brought to us by a former pastor, Mr. Fred Kellers. The Kellers served the brethren here from July 19th 1969-1971. He and his wife, Lucretia are with us today. We hope that those of you who attend with us for the whole event will have a very rewarding time. We have the hall booked until well into the evening. The one thing that we ask of everyone is that there be no rancor over what has happened through the past 40+ years since the major splits of '95. I'm sure that we can all enjoy the 40 year celebration in the right attitude and spirit.
