

April 6, 1964

Greetings once again Brethren:

God has blessed us with a more central meeting place-- The New Hampshire Highway Hotel in Concord N.H. I know you will be as thankful and pleased with this new meeting place as I am when you attend the NEW HAMPSHIRE BIBLE STUDY, April 19, at ONE P.M. SHARP. Allow yourself enough time so you can be there early, especially those of you from Maine--Because you will have a little farther to travel.

If you need transportation please let me know if you haven't already. Those having extra room in their cars please let me know too if you haven't yet. If you will be coming by bus please let me know, and the time you'll arrive, so we can save you the price of a taxi.

The New Hampshire Highway Hotel is located near the Rotary just outside the city of CONCORD, N.H. The Rotary is east of the city where route 93 and route 202 cross. (Check this on a new road map.)

The entrance to the N.H. Highway Hotel is between the Rotary and the bridge that crosses the Merrimac river on route 202.

Follow the signs that direct you to the office, a STAGE COACH is beside the door you will be entering. As you walk in the lobby you'll notice a wide stairway in front of you, walk up same--At the top of the stairway turn right. You'll see a sign YELLOW ROOM, this is where the Bible Study will be conducted.

Let us continue to break all records thus far and make this THE BEST BIBLE STUDY YET.

Yours in Brotherly love,

Denzil F. Thayer
