Sermon - Mr. Cole

We are aware of the fact this is the Sabbath.  
This is God's Sabbath. It signifies a witness  
to this world. It is something they  
can see. We are writing that witness every week.  
Also know if we are not consistent. If we  
aren't won't write that forceful witness  
that it should. It is a ray of hope.

Predication of a new order.

What is that hope? - The world of today  
to pass the world of tomorrow to take its place.

Ex. 8:23 Put a line - division - between God's  
people and this world and their leaders.

Before we had no division while we went to  
Bible Study on Sunday.

What is the world? Earth. Gen. 1:25. Created  
to be populated by man.

Gen. 1:26-28 Man created to populate the earth.

Isa 45: 18 Rom. 8: 20 God made man subject to vanity - Human nature. Subject to sin - Contrary to his own good - Had no choice - Hope for man - Only when we understand the Sabbath -

Eph. 2: 1 We were dead in our sins - Now we have hope - We walked according to the worlds way - Doing what comes naturally - We were the children of wrath - World does not turn the other cheek - Only Gods nature makes this possible - See how often I become upset with someone else that shows how much of this worlds nature I still have -

Every nation is just a family with human nature - Only people - Began with following their own natural human ways - All have one skin in each individuals - Human nature runs wild -

Prov. 16: 25 - 11 Mans ways seem right but lead to death. Does not grasp what is to come - No nation today that started as a nation in the beginning - What is the end of mans way - death! End of mans government - death - Man showed rebellion soon after Adam. Gen. 9: 2-5

Mans life taken by beasts. A curse because of sin - Man would have had dominion over beasts if man had been obedient. Lev. 26: Come out of the hills and denounce our children. All nature is rebelling because of mans rebellions. All weather in revolt against man. If man would change God will change these things. Man ruling over other men - not Gods will. God should rule -

We were created to rule - we rebelled. Now having to learn the hard way.

When we look to ourselves God's prerogative of ruling men  
different forms of gov. come about.

Acts 17: <sup>19</sup> Her. 20: 15, 20. God divided them up because  
of rebellion - <sup>19</sup> 31, <sup>20</sup> 32. Divided after the flood. Some  
nations as Rom 8: 20, Isa. 55: 8-9. Man may

seem right. Mat. 20: 20. Nations goaded, mother to  
seek for her sons rulership in Christ's kingdom.

<sup>21</sup> Didn't know what they were asking. They  
<sup>22-23</sup> would have to suffer as Christ suffered but didn't  
give them what they asked.

24. When the other heard their human nature made  
other very angry toward them - Christ not swayed  
by flattery.

25. Nations rulers hold people down, take advantage -  
Apostles felt that way too.

26. Not so among Christians. Be a servant  
since life its others, do not be served by them.

27. Human governments, not God's system. God's  
system giving our lives for someone else. Christ  
gave his for us.

III Col. 4: 4 Nations of this world led and  
deceived by Satan.

Luke 4: 5 Christ had power to give all worlds  
kingdoms from beginning to conclusion of this  
earth.

Christ came that we might have a part also in  
ruling this world the right way.

God merely allows satans power over the nations

Ezek 28 - Isa 14 - Satans time is short till God will depose him

Most people ~~not~~ aware they are ruled and led by Satan -  
Rev 19 - God has not lost control

Don 2:21 4:17 - Never rule but God has the power over them - Rule only by the will of God

Don 5:21 - God depose men when He wishes -  
First flood caused by Satans fall

Psa 104:30 - Satan invisible ruler of this earth

We have been called out of Satans control into the light and liberty of God. Acts 26:18 - We are called to see what God has planned for man

Rom 11:7-8 - God calls out a small group from Satans deceived

I John 2:15 - Love not this world - man's organizations and governments

16 Lusts of the flesh rules natural man - World passes away - End result death. He who does Gods will lives forever

17 Gods ways & laws are not changeable - World is changeable - Nothing permanent in this world but change  
Gods ways are perpetually new - Antiques are called antiques because 4 or 5 new styles have come along since - Soon antiques are more expensive than when new  
Gods character is always new

Can't change law of gravity or inertia

6  
Just as foolish - crazy to try to do away with  
the Sabbath as with gravity -

Men think to change times and laws.

Rom 7:25

2. Times are determined by God. Men don't know  
why things happened in history -

Rom. 1:20 Gen. 1:1 Six days of creation  
by work. Seventh day God created the  
Sabbath binding on all men. Gen. 2:2

Mark 2:27-28 Sabbath is a sign - God  
has made us the only consideration in this sign -

Will we keep it? Be Obedient?

Ours part is how powerfully we keep it.

Lev 133:10 Ex 12:1-17 Ezek 20:12, 20

Heb 4:1-12 Another day - Sabbath sign of  
that rest to come. We are obligated to  
keep it looking to the millennial day of  
rest with God.

We have been given a six day week to do  
more work. Six thousand years to do as many pleases

Rom 15:28<sup>23-28</sup> Act 3:19-21 Change of nature -

Christ to come again. Time of restoration  
of God's rule. John 18:36 Dan 2:44 Stone

Christ to crush more rule. Gentile nations  
in nature like beasts. Natures must be changed.

Tribulation to drive away the nature by the  
grinding of this Stone.

Sabbath points to this new order -

Christ's government will not change

Dan 7:13-27 Acts 1:17 God will eventually rule over all mankind.

Ministers of this world know they are lying about the Sabbath. Acts 1:7

Christ finished his works.

Mat. 16:8; 28:19-20 24:3. Preach the word as a witness - Mat 24:13 Isa 58:1 Hab. 5:1 Isa 5:24 men to perform a great work in last days. We are witnessing by our lives.

Eph. 1:13 John 21:15-21 Feed the flock -
