

HISTORY OF THE

"Be honest in your judgment and do not decide at a glance, superficially and by appearances; but judge fairly and righteously" [Jn. 7:24 Amplified Bible].

REMNANT OF ISRAEL

The "Remnant of Israel" originated in April of 1915 at Britton, Oklahoma, and later moved to near- by Oklahoma City. The Managing Editor and Founder was G.G. Rupert, for the purpose of heralding the Bible doctrines formerly neglected, or taught un- scripturally.

Note: The "Remnant of Israel" today, no longer prints or publishes a paper; however, we still con- tinue to herald the Identity of the true Israel of the Bible; and the prophecies of the yellow races (including Russia) to overrun and devastate the land of America (land of Modern Israel)! We also teach the Scripture Fact that the Law of Almighty God was not nailed to the cross, nor was it oblit- erated (as is falsely taught by the churches)!!

Today, the Main Office of the "Remnant of Is- rael" is located in the township of Opportunity (east of Spokane, Washington).

Born in Ohio, May 12, 1847, G.G. Rupert died July 17, 1922 at the age of 74. Originally a Me- thodist, Rupert served as a Seventh Day Adventist Minister for 30 years. A member of the Southwest Union Conference, he served as a President of the Oklahoma Seventh Day Adventist Conference until 1902, when he broke away from the Adventists. From 1902-1904, Rupert was not connected with anydenom- ination. Nearly blind for 28 years, he miraculous- ly regained the sight of one eye 10 years before

HISTORY OF THE REMNANT OF ISRAEL

In the April 1919 issue of the "Remnant of Isra- el" paper, the question was asked: "Is there a true church?" The article began: "There is a true church....man has had nothing whatever to do in shaping it in any way....Its appointed seasons of worship are all appointed....The mind that guides this organization and service is Divine. It needs no constitution or by-laws that are not given in the Bible. It has no committees to nominate its officers or plan for its finances. The same laws governing each member is today the same as gover- ned Adam and Eve....Man cannot add one single mem- ber...."

Note: As a minister to the "Remnant of Israel" I feel it is vitally important that we understand the Bible does not teach anything about a "true church"! The word "church" (as found in our Bible translations) is "mistranslated" from the Greek "ecclesia" which literally refers to Almighty God's "called-out chosen ones"!! There is no word con- tained in the Original Scriptures that can properly be translated "church"!!!

his death. His wife died in 1921, and his only son, H.W. Rupert, was born in 1871, and died in 1925.

Note: Having been a Seventh Day Adventist for 6 years, I broke away from their church in 1965. I discovered the Israel Identity Message in the Bible, and in 1967, I became Director of the "Remnant of Israel". My wife and I printed the "Remnant" paper for two years, then the money ran out, and we were forced to retire the paper.

Rupert's most famous book was the "Yellow Peril" a 530 page work on Bible Prophecy, published in 1913. The book was also advertised in the November 9, 1915 issue of the "Remnant" paper. In June and July of 1913, Rupert wrote several articles on the "Book of the Law" which were later reproduced in the February 1916 issue of the "Remnant of Israel" paper.

Rupert taught the observance of the weekly and annual Sabbaths, and held to the name "Church of God".

Note: Today, Remnant supporters go one step further; we do not believe in church organization of any kind! We believe the Elect (no church) is made up of the true children of Israel (White Race) whose names are written in Heaven, and their faith is written in their hearts and stimulated according to the Facts of Scripture Truth!

There is no "true church" (organized or otherwise)! Rupert advocated that "Christ is the only head of His church."

Note: The "Remnant" today, is aware that the name "Christ" (used by most church organizations) is a "pagan title" originating from the "pagan god of the East" known by early "sun-worshippers" as "Christos" (Kristos)! Also, the Saviour is not the head of any "church"! Rather, He is the Head of His Elect (called-out chosen ones)!!!

The original "Remnant of Israel" articles are preserved in the New York Library. Its teachings consist of: "There is but one true church of God. All other churches were said to be in Babylon."

Note: Today, the "Remnant of Israel" realizes there are many churches, each claiming to be the "true church"! The fact is, there is only one true Elect of Almighty God!! All "churches" consist of "Babylon"!!!

The "Remnant" has always supported the teaching that man is mortal. In these latter days, Almighty God's period of probation (deciding for eternal life or death) is almost over.

The "Remnant" declares that there is not one single text in the New Testament that teaches any Law that Almighty God ordained was abolished and nailed to the cross. The fact is that only the sacrifices and oblations have ceased (as stated in

Daniel 9:27).

Sunday, Easter, Christmas, Good Friday, Ash Wednesday and other various "holidays" are all of "heathen origin" and belong to "Babylon" (the mother of harlots).

The majority of religious leaders are well aware of this fact; however, for various egotistical reasons, they still continue to keep the people in ignorance, and support the old system of Babylon. Even worse, are Sabbath-keepers who declare Almighty God's Law through Moses to be abolished (contrary to Mal. 4:4).

Note: It was the "Levitical law" with its burnt offerings and sacrifices that was nailed to the cross! "Sunday" is the "false sabbath" which was instituted along with the "false holidays" (Easter, Christmas, etc.), at the Council of Nice in approximately 325 A.D. by the emperor Constantine, who was a "sun-worshipper"!!!

Paul scrupulously observed the Israelite feasts (as stated in Acts 18:21 K.J. Bible). The New Testament does not replace the Old. With such beliefs, G.G. Rupert and his followers observed all the Holy Days.

There was some controversy over the observance of the Passover. The June 1919 "Remnant" paper states the Passover should be observed on the beginning of the 14th day of the first Bible Calen-

dar month, while some supported the 15th.

Note: The Israelites observed the Passover on the 14th day of the first Hebrew month (Abib)! The Jews observed the Passover on the 15th day of the Jewish month of Nisan (according to their Yiddish calendar)!!

The meaning of the Fall Holy Days was clearly expressed by John S. Stanford in the September 1919 issue of the "Remnant" paper. The "memorial of blowing trumpets" is a command for us to observe a "Memorial Day Sabbath" (Lev. 23:24-26). The physical blowing of trumpets has ceased; however, we are to continue observing this memorial. Almighty God is a faithful notifier (Amos 3:7). He will give notice of the Saviour's second appearing, and this day reminds us to look up these notifications in His Word.

"Atonement" means "at-One-ment" or at "one mind or accord." We are born with a carnal mind, and we are to have our minds renewed (Rom. 12:2); or brought into "at-One-ment" with the mind of the Saviour as it is expressed in the Sacred Word of Almighty God (Phil. 2:5). The Saviour was crucified and completed the first step in the "Atonement". The second step is man's part to accept it. The third step is to maintain a life of obedience, which is a continuous step until "final deliverance" (salvation). We are saved (delivered) by His life (Rom.

5:10), and reconciled by His death. It is utterly impossible to earn salvation by our own works; however, it is only by the Saviour's life of obedience in us that we will be saved.

"Atonement" is a memorial by which observance we may remember what He has done for us. We are to afflict the soul (life). As the Saviour was afflicted for us, so we are to afflict ourselves in recognition of what He did for us. Also, the "Feast of Atonement" is a type of the close of Almighty God's probation to occur in the future (Rev. 22:11).

The "Feast of Ingathering" is a type of the resurrection of the righteous after the close of His probation, and is a type of the time when the "Remnant" will again dwell in booths for 40 years.

The "Feast of Jubilee" is a type of the New Earth. These "feasts" from the Passover forward, are consecutive in their order.

Observation of the "new moons" (months) is not mentioned in Rupert's Laws of God chart; however, a "new moon" is the "first day of each month" in Almighty God's Solar Calendar.

The Sabbath was (and still is) taught and observed by the "Remnant of Israel" because there was no change in the Saviour's teachings when He was here on earth. He observed the same Sabbath and the same Law as His forefathers (Mtt. 5:17-

19).

G.G. Rupert published his first book in 1902. Following is a list of his books and articles (now out of print):

- The Yellow Peril
- The Inspired History of the Nations (3 volumes) Time, Tradition and Truth
- The Bible Atlas
- The Two Covenants
- The Four Great Cycles Peace or War
- The Call of the Ministry
- The Two Women of the 12th and 17th Chapters of Revelation
- The Close of Probation
- The Book of the Law
- The Gift of Tongues Examined

In 1916, at Hartland, Kansas, Elder Rupert ordained I.C. Sultz, who was a convert to the Identity Message approximately 25 years before.

In February 1917, at Oklahoma City, Rupert held debates with C.P. Whitaker (a Russellite Minister). 300-500 people attended these debates which mainly concerned the Laws of God.

In December 1917, Elder I.C. Sultz became a contributing editor of the "Remnant" paper.

In the summer of 1918, Rupert visited Sultz at his home in Maybell, Colorado. Later, Rupert spoke at Denver, Lincoln, Dodge Center, Minnesota, and Battle Creek, Michigan; also Cleveland, plus he also held meetings at College View, Nebraska.

In the spring of 1919, Rupert met with other

Sabbath observers from all over the United States at Pasadena, California. He also held meetings at an all-White Seventh Day Adventist Church in Los Angeles. The Adventists there joined Rupert's movement, and secured Elder J. Watson of Washington, D.C. as their pastor.

G.G. Rupert died July 17, 1922. His daughter, Lucille (Rupert) Smith, took over as Managing Editor of the "Remnant" paper. The last issue at the New York Public Library is dated November 1929.

I.C. Sultz, who married Rupert's daughter, lived into the late 1960's. In his book "The Tragic Story of Gentile Israel" Sultz described the book of Hosea as dealing exclusively with Judah (Greek Catholic), Israel (Roman Catholic), and Ephraim (Protestantism). Since the United States is the home of Protestantism, the United States is Ephraim in prophecy.

I.C. Sultz remained for years an independent Sabbath observer, and in 1967 (two years before his death), he ordained William J. Walker of Opportunity, Washington as Director of the "Remnant of Israel". Pastor Walker wrote the book entitled "Remnant Message to Modern Israel". He also revised I.C. Sultz's "Tragic Story of Gentile Israel" changing the title to "The Tragic Story of Modern Israel". Pastor Walker has also written several other articles and tracts entitled:

Russia vs U.S.A. (booklet)
What is the Remnant of Israel? (booklet)
