To: The Field Ministry

Date: 10/12/66

Subject: Mr. Gerald Waterhouse's Itinerary

From: Mr. Roderick C. Meredith

Greetings from Pasadena:

I am enclosing a copy of Mr. Waterhouse's itinerary up until the conference in January, and would like to ask all of you whose churches he will be visiting to set up a schedule following this outline as near as possible and to write Mr. Waterhouse soon letting him know of the arrangements you have made. You should probably write him in care of the minister in the city where he will be visiting at least four to six days after you write your letter so the letter does not miss him. Then, if the letter should miss connections, the minister will still be able to forward it on to Mr. Waterhouse in time.

Mr. Waterhouse's plan is to have a schedule worked out where he will be able to show slides, conduct a Bible study, a Spokesman Club and also preach in each church of a two church circuit each Sabbath on this tour. He will be bringing out special things about the Work of God and Headquarters, news of the Work, and showing slides of God's Colleges and Offices around the world. This tour should be most inspiring for all of the Church brethren!

When it is at all convenient, it would certainly be a fine thing for you to invite Mr. Waterhouse to stay in your home and visit for the few days that he will be in each church area. That is up to you, of course, but he would be delighted to do so and it would give you additional opportunity to visit, fellowship and get a great deal more personal news and insight from Headquarters in that way -- and also afford Mr. Waterhouse more companionship and home cooked meals!

So please note Mr. Waterhouse's itinerary carefully -- especially regarding the time he may be visiting your area (for those of you involved) and write him as soon as possible in care of the minister he will be with several days after you address your letter. Also, be sure to ask the brethren to pray that God will bless, protect and inspire him on this very important tour!
