Gents,

Just a note to let you know that a major milestone has been reached in preserving and making freely available old and rare Church of God literature and periodicals today. Many thanks for Dr German's critical assistance with providing most of the Hope of Israel & Advent and Sabbath Advocate periodicals.

I would like to thank all those involved financially with paying for the scanning of 'The Remnant of Israel' which made it possible to preserve this important portion of our history. And those that assisted with stitching together and converting the stitched JPEG files to PDF for the 'Hope of Israel' and 'Advent and Sabbath Advocate.' Also all those involved with scanning of 'The Sabbath Sentinel.' The involvement of all these wonderful people and others who have prayed for the success of this project is so much appreciated.

**Current situation:**

1. Hope of Israel (1863-72) completed. Unfortunately there is a missing volume and a few missing issues and pages. I hope to source or obtain these in due course
2. Advent and Sabbath Advocate (1872-1891) completed. Unfortunately there are a number of missing volumes, issues and pages. I hope to source or obtain these in due course

The above can be found at

3. The Sabbath Sentinel – many more volumes and issues have been scanned and more to come. These can be found at

4. Greenberry G Rupert's 'Remnant of Israel' completed

5. a number of other items have been found or sent to me and uploaded to

**Materials sought or waiting upon:**

1. items by a relative of Rupert but they cannot find where they put it
2. photographs of Rupert that a relative of Rupert is going to scan and send
3. old materials by HWA I continue to seek
4. box of tapes of sermons by Hoeh I have been promised

**Old Church of God booklets and leaflets that are being sought:**

1. by GG Rupert – see list at <http://www.friendsofsabbath.org/ABC/GG%20Rupert/ggrupert.htm> (scroll down the page)

2. by AF Dugger – see list at

[http://www.friendsofsabbath.org/ABC/CG7/A%20F%20Dugger/AF\\_Dugger.htm](http://www.friendsofsabbath.org/ABC/CG7/A%20F%20Dugger/AF_Dugger.htm)

3. by AN Dugger – see list at [http://www.friendsofsabbath.org/ABC/CG7/AN\\_Dugger.htm](http://www.friendsofsabbath.org/ABC/CG7/AN_Dugger.htm)

4. any other old Church of God (seventh day) literature from the 1960s back to the 1800s. I have seen booklets advertised in the old periodicals listed above and I shall attempt to type up a list of them and circulate to see whom can assist in locating them

Hopefully all of these will be found – or if available, scanned and provided for sharing.

Prayers for the continuing success of this important project to preserve our common history is, as always, appreciated.

Regards to all,  
Craig
