

RE: A major milestone reached in preserving old Church of God periodicals!

Tue 26/06/2018 11:26 PM

Craig, you have been really busy. Thanks for getting the pdfs done. Great job. I have been quite busy lately and have been unable to follow up on some of your email. I plan to respond to all your questions but time is a bit limited for a while. Please keep up the good work.

Mike
